

St. Rose of Lima Parent/Teacher Advisory Board

Celebrates Earth Day

In support of **Earth Day**, St. Rose of Lima's Parent Teacher Advisory Board and Student Council are conducting a **BATTERY RECYCLING DRIVE**

Your children may bring in used batteries for recycling beginning **Monday, April 23rd and ending Friday, April 30th.**

Bring the used batteries to your child's/ children's classroom(s) in a bag, which will also be recycled.

The batteries will then be picked up in each classroom by the Student Council members.

Thank you for supporting our Earth Day battery recycling drive!

Taking care of our planet and each other.

*The earth is the Lord's and all that is in it
(Psalm 24:1)*
